

# Keynote International

39, TORANA, SAHAR ROAD, ANDHERI - EAST, MUMBAI - 400099, MAHARASHTRA, INDIA

## Material Safety Data Sheet

PRODUCT: KOKUM BUTTER

Part - 1		Identification of the product and company	
Company Name	Keynote International	Item Code:	KN-KB001
Generic name	Kokum Butter	Trade name:	Raw Kokum Butter
INCI Name	Garcinia Indica Seed Butter	CAS No.:	68956-68-3
Use of substance	Skin care and soap products	Product Type:	Substance
Part - 2		Composition, Information on Ingredients	
Description	This is a vegetable fat derived from the seed of fruit called Garcinia Indica (Kokum) tree.		
Part - 3		Hazards Identification	
Human Health Hazard	None expected if handled and used properly		
Environmental Health Hazard	Not Established		
Hazard Identification	This product does not contain any hazardous ingredients		
Part - 4		Fire, Explosion & Reactivity	
Stability	Stable	Dot Classification:	Non-Hazardous
Unusual Fire Hazard	None	Hazardous Polymerization:	None
Fire Fighting	Treat as oil fire. Cool containers exposed to heat with water.		
Extinguishing Media	FOG-Yes   CO2-Yes   FOAM-Yes   DRY-Yes		
Incompatibility	Avoid contact with strong oxidizing agents		
Hazardous Combustable Decomposition Products	Carbon Monoxide and Carbon Dioxide. Irritating gases.		
Part - 5		First Aid Measures	
Respiratory	No special respirator needed		
Skin	Neoprene gloves for hot oil.		
Ventilation	Local exhaust dealing with mists or dusts Normal		
Eye	Goggles for hot oil. with side shields. In case of eye contact immediately flush with lots of water. If redness, itching or burning sensation develops seek medical help.		
Other	Rubber boots & apron for hot oil.		
Part - 6		Handling and Storage	
Handling	Wear safety glasses and protective outerwear		
Protective Equipment	Normal protective clothes / slip proof shoes in areas where leaks or spills may occur		
Incompatible Materials	Keep away from oxidizing agents; excessive heat, and sources of ignition.		
Suitable Storage Conditions	Store in closed containers below 25°C, in well ventilated cool dry area away from direct sunlight. Do not store in plastic bags and /or plastic containers. In case of HDPE containers material is to be transferred into airy containers made from biodegradable material, for long term storage.		

<b>Part - 7</b>	<b>Occupational Exposure Limit</b>		
<b>Threshold Limit</b>	NA		
<b>OSHA Permissible Limit</b>	NA		
<b>Carcinogen</b>	No		
<b>Part - 8</b>	<b>Physical and Chemical Properties</b>		
<b>Color &amp; Appearance</b>	White to slightly yellow solid fat.	<b>Odour:</b>	Neutral odour
<b>Flash Point</b>	> 100°C	<b>Melting Point/Range:</b>	37 - 40 °C
<b>Water Solubility</b>	Insoluble	<b>Vapour Pressure:</b>	NA
<b>Boiling Point/Range</b>	Not determined	<b>Vapour Density:</b>	Not established
<b>Oxidizing Properties</b>	Avoid exposure to air	<b>pH:</b>	N/A
<b>Flammability</b>	Avoid open flame	<b>Explosive Properties:</b>	None
<b>Part - 9</b>	<b>Stability and Reactivity</b>		
<b>Conditions to avoid</b>	Stable under normal conditions.		
<b>Materials to avoid</b>	Keep away from heat and avoid contact with oxidizing agents.		
<b>Hazardous decomposition products</b>	Stable under normal conditions, may emit noxious fumes of CO.		
<b>Part - 10</b>	<b>Toxicological Data</b>		
<b>Long term Toxicity</b>	None	<b>Persistence &amp; Biodegradability:</b>	None / None Cited
<b>Bioaccumulative Potential</b>	None	<b>Other Adverse Effects:</b>	None cited
<b>Part - 11</b>	<b>Ecological Declaration</b>		
<b>Ecotoxicity</b>	This material is readily biodegradable. Use according to criteria of good industrial practice, avoid dispersion in the environment.		
<b>Part - 12</b>	<b>Disposal Instructions</b>		
<b>Disposal Considerations</b>	Dispose of according to local, state and federal governmental restrictions and requirements		
<b>Part - 13</b>	<b>Spill, Leakage &amp; Disposal Procedures</b>		
<b>Spill Procedures</b>	Wipe up with paper rags and place the affected items in closed metal waste containers. For large spills use non flammable absorbent Prevent run-off to ground & surface waters.		
<b>Waste Disposal</b>	As per local, state and federal laws.		
<b>Part - 14</b>	<b>Transportation</b>		
<b>Note</b>	Non-hazardous. Do not directly expose to temperatures above 35°C		
<b>Part - 15</b>	<b>Regulatory Information</b>		
<b>Note</b>	This product is not considered dangerous.		
<b>Part - 16</b>	<b>Cautionary Note</b>		
<b>Additional information</b>	The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event shall Keynote International be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Keynote International has been advised of the possibility of such damages.
